

2010 Continuing Education Classes

As you know continuing education credits for your license are due by August, 2010. We are offering the following classes for you to obtain your CEUs locally. In addition to the mandatory 6 hours, we will be offering various 'elective' classes throughout the year, including classes on green building.

Please check the class and date you will attend: (lunch will be provided for each session)

- May 20th & 21st **Entire Course (16 Hours):**
Get your 10 hour OSHA Card! Class includes credits for Workers Comp., Florida Lien Law, Strategic Planning & Marketing, Laws & Rules, Wind Mitigation, Advanced Building Code, Workplace Safety
\$300.00
- June 25th **6 Hour Mandatory Class:**
Workers Comp, Florida Lien Law, Strategic Planning & Marketing, Laws & Rules, Wind Mitigation, Advanced Building Code, Workplace Safety
